## **RVPC Report to 2020 AGM<sup>1</sup>**

To: NCYC 2020 AGM and MCYC Members  
From: Dave Margetts, Committee Chairperson  
Date: 2020-10-07  
Re: 2019 – 2020 Membership Year Report

### **1. INTRODUCTION:**

- a. This committee was formed as a result of resolution adopted by Club members at last year's AGM.
- b. Volunteers were asked for: Leighton Roslyn, Tom Baader, David Wolff, Ivan Mikkelsen, Ric Hewett and Dave Margetts volunteered.
- c. At its' first meeting the committee voted to have Dave Margetts as the chairperson.

### **2. POLLING OF THE MEMBERSHIP:**

- a. The committee sent out a questionnaire to all members on the Club list.
- b. Only 14 replies were returned and so attempts were made by the committee members to contact by phone all other members who did not reply.
- c. The results of the follow up calls did not vary much from those that replied initially.
- d. The committee received a response rate of 40% of the names on the membership list.
- e. Of those who responded 83% favoured allowing RVs in some manner. There is a clear consensus that this be allowed.
- f. The opinions varied from a total ban to almost starting a trailer park.
  - i. The majority agreed that RVs should be allowed during spring and fall while boats are being prepared for launch and again before haul-out.
  - ii. There was less agreement about where they would be allowed at other times and at what cost.

### **3. RECOMMENDATION:** The Committee suggests that the following be tried for next year. Then if the experience is favourable, formal amendments can be proposed for adoption at the next AGM based on that experience.

- a. RVs will be allowed at the Club by boating members in the Spring time until June 14th while preparing their boat for launch.
- b. RVs will be allowed for a week when members are preparing to haul their boats.
- c. The RV may only be kept in the Parking lot or east bank and not anywhere else on the Club grounds.
- d. After they have been used they should be taken home but if this is not possible then they are to be stored in the back forty lot only.
- e. Any Member may bring an RV to the Club for short periods. The RVs will be located only on the east bank and are without services but members are able to use Club facilities. A fee of \$10 per night or \$50 per week will be applied.
