Veleda IV, our 1978 Ontario 32 is an affordable C & C designed world cruiser with the space and headroom (6ft throughout) of a 36 foot boat, thanks to the 11 1/2 foot beam (4 1/2 foot draft). Equipped for live aboard comfort and long distant cruising it could sail it anywhere in the world. Currently sailing the north shore of Lake Huron, but could be delivered to any port on the Great Lakes. Wife is interested in quilting now. \$17500, OBO. Extensive inventory and more pictures available on request.
